

MOHAB GADALLAH

Senior Demand Planning Analyst

PROFILE

A strong Analyst with a huge understanding of the operational impacts of forecasting and forecasting methods allows me to make well-informed decisions to better meet customer demands.

I am proficient in Oracle Demand Planning and related software. A demonstrated ability to refine systems and methods to develop more accurate forecasts has allowed me to be an effective Demand Planner.

I am a team player with a keen sense of what discerning customers expect in today's marketplace.
